Dear Clint,

Welcome to the Citizens Advice Debt Relief Order (DRO) Hub. We're a free, confidential and impartial service.

We'll complete your DRO application and submit it to The Insolvency Service on your behalf.

Members of our team including Debt Support Officers and an Approved Intermediary will email you at each of the steps so we can complete your application.

You're at Step 3 of your Debt Relief Order (DRO) application process:

- Step 1 - You choose a DRO as your debt solution ✓
- Step 2 - We accept your referral ✓
- **Step 3 - You send us your information**
- Step 4 - You check your draft application
- Step 5 - We submit your application
- Step 6 - Your outcome and next steps

If you want to know more about what to expect at each step, see the 'Step by step guide to your DRO application' attached. If you need to, you can also [remind yourself how a DRO works on our website](#).

Send us your information

We've checked your referral and need some more information from you before we can draft your application.

Your Equifax credit report

[Download your credit report from the Equifax website](#). We have your other 2 credit reports from TransUnion and Experian - they're attached to this email. Having 3 credit reports helps to make sure all your debts are on your DRO application.

If you are unable to provide a copy of your Equifax report, we can still proceed without this but we ask for this to ensure that we have all debts listed for you. Some debts may show up on your Equifax report but not on the others that we check. If a debt is left off the application you will still be liable to pay for this. As long as you are aware of the risks we can still proceed without it

Assets

You will need to notify us of any assets that you have. Below is a list of assets but this list is not exhaustive.

- Vehicle

- Pension(s): If you are aged 54 or above and have a pension. We need the full details of the pension pot to note on your DRO application as it is a legal requirement. We are unable to progress your case if this is missing, as it is used to check your DRO eligibility. The details required are the value of the pension pot, the Policy reference number and the pension provider.
- Savings
- Stocks and shares
- Cryptocurrency
- Life Insurance - If you do have a life insurance policy, please can you check and inform us if the policy has a cash-in-value or if it pays on death.
- Property
- Other assets e.g Caravan, horses etc.

Tenancy, Employment, and hire purchase agreements (Insolvency clauses)

Your referring adviser would have discussed these potential risks with you throughout your casework when a DRO was identified. We ask that you check that there are no insolvency clauses in the tenancy agreement, employment contract and/ or your hire purchase agreements. We would also note that applying for a DRO can also affect certain job prospects, as a DRO is a form of insolvency.

We ask that you check your paperwork or inquire with the appropriate people to understand how a DRO would affect your tenancy agreement, employment contract and/or hire purchase agreement. This will allow you to decide early on in the process if you still wish to apply for a DRO.

Any outstanding balances from Universal Credit Advances

Go to your UC statement and click on the 'Deduction' link.

Your award letters for any benefits income you have (other than Universal Credit)

Personal Independence Payment (PIP) and Employment and Support Allowance (ESA). Send us a copy of your latest award letter showing the amounts and rates, before and after any deductions.

Any recent emails or letters you've received from your creditors

If they're letters, scan them in or take photos.

Bank

Your bank account may be at risk from a form of insolvency, such as a Debt Relief Order (DRO). If you have a current account, depending on which bank your account is with, it could be closed, frozen and/or, if applicable, your overdraft facility removed. We would always ask that you check your bank's terms and conditions to understand how you would be affected.

If you need to set up a new basic bank account, information on how to do so can be found here:

<https://www.moneyhelper.org.uk/en/everyday-money/banking/basic-bank-accounts>

Your bank statements

Send us statements for the **last 30 days for ALL accounts you hold**. Send them as a PDF if you can. If not, send them as photos.

Any updates to your budget sheet

Attached to this email is your draft budget sheet . Please check the income, expenditure and debt list. Let us know if anything is missing or incorrect.
