Advance payments

If you have a Universal Credit advance you'll have to pay it back a bit at a time from future Universal Credit payments.

If you stop getting Universal Credit, you will have to pay your advance back another way. For example, by deductions from your wages. Our Debt Management Service will be in touch with you to discuss your repayment options.

Read more about [Universal Credit advances \(opens in new tab\)](#).

Advances paid to you

The following information is about advances paid on this claim. The details might not be up-to-date if you've recently made a repayment to our Debt Management Service.

If this claim is closed

If this claim was closed before you had fully repaid an advance, you now owe money to the Debt Management Service.

Advance type: Benefit transfer

Advance borrowed	£1,327.41
Final repayment	8 November 2027
Balance to repay	£1,216.79

Your [payments](#) statement shows how much you're repaying each month.

New and existing advances

You need to contact Universal Credit to ask about

- applying for a new advance
- help with repayments

If you're struggling to repay your advance, you may be able to pause your repayment for a short time. This is only available in exceptional circumstances.

The fastest way to get in contact is by writing a message in your journal.

If you need to call, you may get through quicker if you ring after 10am, Tuesday to Friday. Calls to Universal Credit are free.
